

## **Fr. Jose Maniyangat—Life After Death**

**Fr. Jose had a fatal accident in India on April 14, 1985, the Feast of the Divine Mercy. His motorcycle was hit head-on by a jeep driven by an intoxicated driver. He reports, “I immediately met my Guardian Angel. I saw my body and the people who were carrying me to the hospital. I heard them crying and praying for me. At this time my angel told me: ‘I am going to take you to Heaven, the Lord wants to meet you and talk with you.’ He also said that on the way he wanted to show me hell and purgatory.”**

**“First, the angel escorted me to hell. It was an awful sight! I saw Satan and the devils, an unquenchable fire ..., worms crawling, people screaming and fighting, others being tortured by demons. The angel told me that all these sufferings were due to unrepented mortal sins... It was a fearful experience... The sins that convicted them were mainly abortion, homosexuality, euthanasia, hatefulness, unforgiveness and sacrilege.”**

**“... my Guardian Angel escorted me to Purgatory... The main suffering of these souls is their separation from God... Even though these souls are suffering, they enjoy peace and the knowledge that one day they will see God face to face... the souls in Purgatory ... asked me to pray for them and to tell the people to pray for them as well, so they can go to heaven quickly.”**

**“Next, my angel escorted me to heaven passing through a big dazzling white tunnel. I never experienced this much peace and joy in my life. Then immediately the heaven opened up and I heard the most delightful music, which I never heard before... Jesus told me: ‘I want you to go back to the world. In your second life you will be an instrument of peace and healing to my people.’”**

**I was pronounced dead, and my body was moved to the morgue. As they were moving my dead body to the morgue, my soul came back to the body. I felt an excruciating pain and began to scream, which frightened people who ran away screaming. One told the doctor ‘the dead body is screaming.’ I was returned to the hospital for many surgeries and told I would never walk again. I told the doctor, “the Lord who gave me my life back and sent me back to the world will heal me.” At home one day while praying I felt an extraordinary pain in my pelvic area, after which I heard a voice say, ‘You are healed. Get up and walk.’ I praised and thanked God for the miracle. My Hindu doctor said ‘your God is the true God’. After studying the faith, I baptized him and he became Catholic.**

**Through my Eucharistic-healing ministry I have seen many people healed physically, spiritually, mentally and emotionally. People with various illnesses such as: cancer, AIDS, arthritis, heart conditions, eye problems, emphysema, asthma, back pains, bad hearing and many others have been healed completely.**
