Spirit of Christ Parish

In the fall of 2003, while on a youth retreat in Allenspark (near Estes Park) Colorado, a small group of teens from Spirit of Christ parish in Arvada, CO went to the Eucharistic Chapel we had set up for the weekend, to pray before they went to bed for the evening.

They were astonished to see this image appear in the Eucharist. All the teens on the retreat re-gathered to experience this incredible grace.

Youth Minister Richard Deanda stated "Thinking that this was just a reflection of light we turned the lights off and could still see the image. The image persisted for several hours and gradually dissipated."
